DECISION AWARDING DAMAGES¹

On February 21, 2020, Marylou LaLonde filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) after receiving the tetanus, diphtheria, acellular pertussis (“Tdap”) vaccine on May 31, 2018. Petition at 1, ¶2. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On July 12, 2021, a ruling on entitlement was issued, finding Petitioner entitled to compensation for her SIRVA. On November 15, 2021, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$95,000.00, representing compensation for her pain and suffering. Proffer at 1. In the Proffer,

This means the Decision will be available to anyone with access to the internet. In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$95,000.00, representing compensation for her pain and suffering in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

I. Procedural History

On July 12, 2021, respondent filed a Vaccine Rule 4(c) report concluding that petitioner sustained the onset of a left shoulder injury related to vaccine administration (“SIRVA”) within the Table time period following a tetanus-diphtheria-acellular pertussis (“Tdap”) vaccine, and therefore sustained an injury that is compensable under the terms of the National Childhood Vaccine Injury Act of 1986, as amended, 42 U.S.C. §§300aa-10 to -34. ECF No. 30. Accordingly, on July 12, 2021, the Chief Special Master issued a Ruling on Entitlement, finding that petitioner was entitled to vaccine compensation for SIRVA following the Tdap vaccine she received on May 31, 2018. ECF No. 31.

II. Items of Compensation

Respondent proffers that petitioner should be awarded \$95,000.00 for pain and suffering. This represents all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

III. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment as described below and requests that the Chief Special Master's decision and the Court's judgment award the following¹: a lump sum payment of \$95,000.00, in the form of a check payable to petitioner.

IV. Summary of Recommended Payments Following Judgment

Lump sum payable to petitioner, Marylou LaLonde:	\$95,000.00
